Medical Treatment and Hospitalization Policy

DEMONSTRATION DOCUMENT — NOT A REAL INSURANCE CONTRACT

Policy code	POL-0002	**Version**	1.0
Policy type	Medical / Hospitalization	**Effective from**	2026-01-01
Document name	Medical Treatment and Hospitalization Policy	**Status**	Sample for testing

Purpose

This fictional medical / hospitalization sample is designed for ClaimIQ document upload, indexing, and question-answering tests. It is not a real insurance contract.

Sample policy terms

Eligible expenses

Reasonable inpatient room, nursing, surgeon, physician, and prescribed treatment expenses may be eligible, subject to limits and exclusions.

Claim evidence

Provide diagnosis, treatment details, admission and discharge dates, itemized invoices, and medical reports.

Review criteria

The adjuster verifies that treatment relates to the covered condition and occurred during the policy period.

Not automatically covered

Submitting a bill does not guarantee payment. Policy terms, limits, and evidence determine eligibility.

Decision

The adjuster records approval, rejection, or a request for additional information with a reason.

Example question for RAG testing

What does the adjuster verify for a medical claim?

Expected answer based on this sample

Treatment eligibility, policy dates, coverage limits, exclusions, and supporting medical and billing evidence.

Important: These sample terms are invented for application testing. They do not define real coverage, benefits, exclusions, or legal rights.
