Life Insurance Policy

DEMONSTRATION DOCUMENT — NOT A REAL INSURANCE CONTRACT

Policy code	POL-0004	**Version**	1.0
Policy type	Life Insurance	**Effective from**	2026-01-01
Document name	Life Insurance Policy	**Status**	Sample for testing

Purpose

This fictional life insurance sample is designed for ClaimIQ document upload, indexing, and question-answering tests. It is not a real insurance contract.

Sample policy terms

Benefit review

A beneficiary claim is reviewed against policy status, benefit terms, exclusions, and required evidence.

Required evidence

Documents may include claim form, policy details, identity proof, death certificate, and beneficiary relationship evidence.

Policy status

The adjuster verifies that the policy was in force on the relevant date and checks applicable conditions.

Additional information

The insurer may request additional documents when evidence is incomplete or inconsistent.

Decision

A decision should be documented with the outcome and a concise justification.

Example question for RAG testing

What documents may be needed for a life insurance claim?

Expected answer based on this sample

A claim form, policy details, identity proof, death certificate, and beneficiary relationship evidence may be requested.

Important: These sample terms are invented for application testing. They do not define real coverage, benefits, exclusions, or legal rights.
